Hi Melissa,

Please see below for the email I sent to your dad regarding remaining items for Lots 9-11.

Hi Jack,

Permits are not ready to pick up. Noel knows what we need, which includes a grading schedule, mitigation monitoring contract fees, and completion of erosion control measures for Lots 9 and 10. Lot 11 has additional requirements.

Thanks

Paula,

Are you in? If not, will you be 8 to 8:30 Monday Morning?

I want to pay for the building permit fees.

Jack
