Hi Camille,

I conducted my site inspection today at Highland Estates. I noted a couple of housekeeping items to Bob on Lot 11.

He will let me know when they have the stucco application scheduled next week, and I will plan my inspection for that day.

Please let me know if you have any questions!

Thanks so much!

Hi Bob,

It was nice to see you onsite today. As we discussed, Lots 9/10 looked great. But please address the following two issues on Lot 11:

1. Visible trackout on Cowpens Way. Please sweep the street and ensure trackout is addressed daily.
2. The silt fence and chain link fence on the south side of the house, next to the riparian area, is falling down. Please repair or replace the fence in this location.

Please let me know if you have any questions!

Thanks so much,
